THE ORIGINAL NUMBERS OF THE VEHICLE MercedesUFACTURER MAY BE USED FOR COMPARISON PURPOSES ONLY AND MUST NOT BE MENTIONED ON INVOICES TO VEHICLE OWNERS.

EROO Auto Spare Parts located in Istanbul\TURKEY was founded in Istanbul in 2010 to organize the export and import activities of ERTAS Automotive which is our main company had been founded in 1959. Always giving of initial importance to customer satisfaction since the day it was founded. EROO Automotive offered Erqo-branded goods for sale in 2010 on account of the high demand from its customers on the experience it gained for fifty-two years. Today we export 85% of our Erqo-branded goods as a result of the most care we pay to quality.

As we EROO, serving our customers;

Regarding to **Mercedes Benz, Man;** we offer all spare parts A to Z with best prices.

As a brand with the principle of raising the level in the growing world market and having a succesful process, we continue our operation of handling the supply of spare parts for other vehicle groupssuch as **Volvo, Daf, Scania, Renault, etc...** in project-based way.

We also offer all **KS, Nural, FTE-FAG etc..** brand parts A to Z with best prices.

Below detailed parts are being sold by us to countries such as some of the countries in **European Community, Turkey Republics, Siberia, Russia, African Countries, South American Countries, Middle East Countries and Some countries in Asia.**
